

# Why choose King Industries Lunch & Snacks?

**HEALTHY** Ingredients are specifically combined to taste great, give you energy and keep you feeling full.

**CLEAN** Each ingredient is properly portioned without an excess or a shortage of protein, carbohydrates or fat.

**FRESH** All meals and snacks are made specifically for King employees that morning.

**NUTRITIOUS** Ingredients are chosen due to their specific nutrient density.

**HARMLESS** No added sugar, artificial sweeteners or high fructose corn syrup to cause blood sugar spikes and weight gain.

**HEALING** No hidden trans fats to cause inflammation, heart disease and weight gain.

**SIMPLE** No need to look any further than King Industries for your lunch or snack.

**ECONOMICAL** Lower priced than fast food or restaurants. Saves money on gas too.
